## OccuNomix International LLC

### All Rubber Knee Pads

Our most economical knee pad. Soft, lightweight yet sturdy knee pad protects knee against the pressures of kneeling on hard or rough surfaces. One piece molded impact resistant rubber pad with adjustable strap keeps knee cushioned and dry against wet surfaces. Nubby outer surface provides anti-slip benefits.

Cat. No.		Price
124	All Rubber Knee Pads	5.15 pr

*Sold in pairs.*

### Plastic Cap

Heavy duty protection against injuries often sustained in rigorous working conditions as a result of constant kneeling. Lightweight pads have hard caps made of abrasion resistant plastic, forming an ergonomic bubble of protection. Hook and loop closures keep pad in place.

Cat. No.		Price
125	Hard Plastic Cap Knee Pad	7.85 pr

*Sold in pairs.*

### Rubber Cap

Large, flexible rubber cap and soft foam padding provide a dome of comfortable protection over soft tissue, extra durability and bendability for added mobility.

Cat. No.		Price
126	Rubber Cap Knee Pad	10.30 pr

*Sold in pairs.*

### Deluxe Non-Marring Knee Pads

Offers excellent protection with the added benefit of a non-marring outer material that won't mark or scuff delicate flooring surfaces. In addition, its rubber-like finish and gripping ridges help prevent sliding and slipping. Adjustable hook and loop straps deliver a secure, non-binding fit.

Cat. No.		Price
127	Deluxe Non-Marring Knee Pads	12.45 pr

*Sold in pairs.*
